

Clarification No. 3

Supply of new off-road 4x4 vehicle for Public Institution Galicica National Park

Prespa Green & Blue Initiative 05-501/1

Question

In accordance with Point 11 of the Instructions to Tenderers, could the Contracting Authority please clarify in which envelope the Tender Form and the Declaration of Honour should be included? As the Tender Form contains financial information while both documents also require the authorised signature of the tenderer, we kindly request confirmation whether these documents should be placed in the Technical Offer envelope or in the Financial Offer envelope?

Answer

The Tender Form and the Declaration of Honour form part of the administrative documentation required under Part 3 – Documentation. In accordance with the tender dossier and the PRAG requirements, these documents shall be included in the Technical Offer (Envelope A). Only the Financial Offer (including the financial submission/price schedule, where applicable) shall be included in the Financial Offer (Envelope B).

Public Institution National Park Galicica
